type White

producer Klawer Wine Cellars

style Dry

winemaker The Klawer Winemaking Team

taste Fruity

wine of Western Cape

tasting notes

Ripe tropical flavours with grassy undertones excite the senses and carries through on the palate. Enjoy well-chilled with fish, white meats and pasta.

ageing potential

Enjoy within 1 year of vintage

blend information

100% Sauvignon Blanc

food suggestions

Can be paired with grilled seafood, salad with vinegarette and goats cheese

in the vineyard

The grapes for this Sauvignon Blanc come from the Trawal area of the West Coast Wine Region and the 15 year old vineyards produced about 12 tonnes per hectare.

about the harvest

The grapes were picked on January 6.
Yield: About 12ton/ha

in the cellar

The wine was bottled on the 3rd of February.
